

Mount Marty vs. Valley City

November 13, 2009

Lancer Fans,

Welcome to Blue and Gold Weekend. We hope you've have the opportunity to take in the many events planned for you in addition to today's game. You may even recognize a few athletes in other roles on campus.

We're very proud of the balance our students have between athletics and academics, earning them the prestigious GPAC/Christopher Award for the third year in a row. This balance makes them winners on and off the court.

As always, our teams are playing among some of the best teams in the country, as the Great Plains Athletic Conference tends to lead the NAIA in national conference appearances. For us, that means plenty of exciting match-ups and entertainment as we cheer on our Lancers.

Sit back and relax (if you can) as you enjoy today's game.

Valley City State was picked to finish fourth out of eight teams in the DAC preseason rankings and received votes on the NAIA preseason national rankings.
